Somewhere in the U. S. The Red Cross Pharmacy, Rexall Store, Barre, Vt.

Gentlemen:

I have learned through my secret agents that you propose holding another One-Cent Sale, and I wish to warn your company that this thing must stop. I cannot maintain my present standing and influence over the public if you persist in these price-lowering sales. You have the community now anxiously waiting for all the bargains you offer, and I do not propose to be bamboorled by any such actions. You must call off this sale and mark your gueds higher instead of cutting the prices in two, or your old Rexall plant will be torpedoed within five days, as the ammunition is now ready. I await your anawar before proceeding. Yours to be boss.

"As in a Looking Glass"

To be attired in the latest fashion is the desire of every feminine heart. A lady buys a suit or coat because the style is new and appeals to her,

Primarily the style of a garment decides her purchase. It scarcely makes any difference what the quality of a garment is, if it has not the style it has no admirers.

A garment today to attract the purchasing public must have quality and style combined. In selecting our spring lines we have been particular to buy only from those manufacturers that we were sure not only had the right style but only used the season's best materials, goods that we could guarantee in every way to be the season's best.

Looking Forward to the Spring Modes

All this week we are giving an exclusive showing of the stunning new Wooltex and Printz-Beidermann Tailored Suits and Coats, which are the scason's best in every way. The Printz-Beiderman new art portfolio is now in the department ready for you. This is one of the best and most interesting portfolios that is gotten up by any house and is the reproduction of live models. You will surely be interested in these Suits and Coats.

Early Showing of Skirts

Everything points to a big Separate Skirt season. The new models are extremely attractive and the qualities are as good as we were ever able to show. You should see our special line of early Silk models in Stripes and Plaids at only \$6.50 each. In the better colors and Black we can show you some unusual values. Here you will find many extra Skirt models at the old prices, in Serges, Poplins and Mohairs.

Silk and Wool Dresses

Last week while in New York we were able to get hold of some extra good Dress models. These are in the Silk Taffeta, Silk Poplin and Wools. The Silk Poplin Dress will be as popular this season as ever. The prices will appeal to you as unusually low. In these Dresses you will get the style and all the wearing qualities of wool. See these Silk Poplin values.
